Hi Todd, we are all set to meet tomorrow afternoon at the Church on site (near the intersection with Route 66). I will call/text if we have experience any travel delays.

I've attached the final site visit itinerary with interview questions on page two for reference.

Thanks all for the advice, OKC had better flight options for us, but we can make the commute work. We plan to arrive in Bristow by 2:30pm on Tuesday, where should we meet you all to begin the site tour?

Please let me know if there is a number that is best to reach you while traveling. My cell is (b) (6)

To clarify my last email, I would fly into Tulsa vs okc. Thanks

I would not suggest staying in Bristow. Tulsa is 30 min away from Bristow, okc is 1.25 hrs away.

One more question, do you have a hotel recommendation near Bristow?
Or should we just commute from OKC?
Thanks!

Hi Todd, we are finalizing our travel plans for next week's site visit. Do you anticipate any interviews after 3pm on the 25th? If not, then we will book flights that leave at 6:45pm from OKC. We can also leave Thursday morning if we need more time Wednesday afternoon. We will wait to hear from you.

Also, my colleague Akanksha Chopra will be joining us on the site visit instead of Catherine Brown.

Thanks! Alisa

Todd,

Thanks for your efforts coordinating these meetings. When you are on site next week, perhaps you can gauge the likelihood/willingness of other residents to speak with us when we visit. Or, as we discussed on the phone, you can find out more about their thoughts or concerns about potential redevelopment close to their homes and share with us when we are there the following week.

Best,

Catherine

Alisa and Catherine,

I was able to confirm several meeting times for property owners and Mayor. I've not heard back from Falcon Oil yet.

We could possibly meet with other property owners

(b) (6) after 3pm on the 25th.

See attached updated schedule.

Thank you
